How do I delete my account?

In the top right, click on your name, then on 'Edit Profile'. In your profile page, select 'delete user'. You will be asked to confirm your account deletion. If you've created any pages, you may decide which user should receive ownership of your pages.

If you've submitted personal books to VRCLibrary, you may ask us to remove them.

How does [...] work on the wiki?

VRCLibrary uses the [Bookstack](#) wiki system. Their community is quite active, so you'll probably find the answer over there!
